ARTICLE I: PREAMBLE

The Des Moines Independent Community School District, No. 77-1737, in the counties of Polk and Warren, State of Iowa, hereinafter referred to as the Employer, and the Des Moines Education Association, hereinafter referred to as the Association, agree that it is the practice of the Des Moines Independent Community School District and the Des Moines Education Association to promote harmonious and cooperative relationships between the school district and its employees.

The Association and the Employer, through good faith negotiation, have reached certain understandings; therefore, it is agreed as follows:

ARTICLE II: RECOGNITION

The Des Moines Independent Community School District is recognized as a public employer governed by the Board of Directors. The Department of Secretaries of the Des Moines Education Association, as determined and ordered by the Public Employment Relations Board, is recognized as the sole and exclusive bargaining agent for regular, hereinafter-named employees of the Employer, including all:

Secretarial/Clerical Employees

and excluding: All other school district employees, confidential and supervisory personnel, and all other employees excluded by Section 4 of the Iowa Public Employment Relations Act of 1974. For purposes of this Agreement, supervisors are defined as those who have the authority to hire, assign, transfer, promote, discharge, discipline, evaluate, or process grievances of other employees or have the responsibility to make recommendations thereon.

ARTICLE III: DEFINITIONS

- A.** The term *Employer* as used in this Agreement shall mean the Des Moines Independent Community School District governed by a Board of Directors or its duly authorized representatives.
- B.** The term *Association* as used in this Agreement shall mean the Des Moines Education Association or its duly authorized representatives or agents.
- C.** The term *Employee* as used in this Agreement shall mean all employees represented by the Association in the bargaining unit as defined and certified by the Public Employment Relations Board (PERB).

- D. The term *regular full-time employee* as used in this Agreement shall mean employees represented by the Association in the bargaining unit as defined and certified by the PERB who are employed from 30 to 40 hours each work week and at least 9.5 months per year.
- E. The term *regular part-time employee* as used in this Agreement shall mean employees represented by the Association in the bargaining unit as defined and certified by the PERB who are employed less than 30 hours each work week and at least 9.5 months per year.
- F. *Seniority* shall be defined as the number of consecutive years of employment in the district as a secretary/clerk. In cases where two or more employees begin employment on the same day, date of application shall establish the order of seniority. Two years of part-time service will be considered as one year of full-time service. Extended leaves of absence shall not be credited to the determination of an employee's seniority status. By August 1 of each year, the Office of Human Resources will prepare for posting on appropriate bulletin boards, a list by year of continuous service in the district, showing the seniority of the secretary or clerk.
- G. *Breaks in Service*. An employee's seniority record shall be broken by voluntary resignation, discharge, reduction in force, or retirement. Should an employee laid off return to work within one year, the seniority will pick up from the date of return. Seniority rights will be forfeited if a continuous period of layoff exceeds one year. Should an employee leave his/her assignment as a secretary/clerk for another position with the district, the seniority will be frozen. Should an employee return to a clerical position, seniority shall continue from the seniority level previously attained.

ARTICLE IV: DUES DEDUCTION

Any employee in the Association's certified bargaining unit, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing payroll deduction of Association dues and political action contributions. The form authorizing payroll deduction shall be designed by the Association, subject to the approval of the Employer, and the expense for producing and distributing said form shall be borne by the Association.

Pursuant to the deduction authorization, the Employer will deduct equal portions of the total amount from the regular paycheck of each employee each two-week pay period beginning in October and ending in June each year. Such deduction authorization cards must be received by the Employer not later than October 15th.

Employees may terminate deduction on 30 days' notification to the Employer, and the Employer will notify the Association of such termination. The Employer will transmit to the Association the total deduction within a reasonable time after the pay period.

The Association agrees to indemnify and hold harmless the school district, the Board, each individual Board member, and all administrators against any and all claims, suits, or other forms of liability, and all court costs arising out of the provisions of this Agreement between the parties for deduction.

ARTICLE V: SEPARABILITY

In the event that any provision of this Agreement shall become void or illegal during the term of this Agreement, such provision shall become inoperative, but all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement. The Employer and the Association agree to meet at the earliest possible mutually agreeable time for the purpose of negotiations to replace void or illegal provisions.

ARTICLE VI: FINALITY AND EFFECT OF AGREEMENT

This Agreement supersedes and cancels all previous collective bargaining agreements between the Employer and the Association unless expressly stated to the contrary herein, constitutes the entire Agreement between the parties, and concludes collective bargaining for its term.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make proposals with respect to any subject identified as bargainable under Section 9 of the Public Employment Relations Act, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives any right which might otherwise exist under law to negotiate over any matter during the term of this Agreement, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

ARTICLE VII: DURATION

A. This Agreement shall remain in full force and effect from February 16, 2017, and shall continue in effect until midnight on July 31, 2019. All letters of understanding scheduled to sunset during the course of the current contract will continue in effect until July 31, 2019.

B. In witness whereof, the parties hereto have caused this Agreement to be signed by their respective Chief Negotiators and their signatures placed thereon, all on February 16, 2017.

ARTICLE VIII: RIGHTS

A. Public Employer Rights. Public employers shall have, in addition to all powers, duties, and rights established by constitutional provision, statute, ordinance, charter, or special act, the exclusive power, duty, and the right to:

1. Direct the work of its public employees.
2. Hire, promote, demote, transfer, assign, and retain public employees in positions within the public agency.
3. Suspend or discharge public employees for proper cause.
4. Maintain the efficiency of governmental operations.
5. Relieve public employees from duties because of lack of work or for other legitimate reasons.
6. Determine and implement methods, means, assignments, and personnel by which the public employer's operations are to be conducted.
7. Take such actions as may be necessary to carry out the mission of the public employer.
8. Initiate, prepare, certify, and administer its budget.
9. Exercise all powers and duties granted to the public employer by law.

B. Association Rights. The Association and its members shall have the right to:

1. Use school facilities for general Association meetings contingent upon receipt of approval from the office of the superintendent.
2. Hold Association building meetings in school buildings contingent upon receipt of approval from the office of the building principal.
3. Distribute Association material through the school messenger service and building mailboxes with the annual approval from the office of the superintendent.
4. Post notices of activities and matters of Association concern on Association bulletin boards located in either faculty lounges or such other places as designated by the building principal.

5. Direct duly authorized representatives of the Association and their respective affiliates to discuss Association matters in the school building during the workday with the approval of the building principal.
6. Be furnished on request regularly and routinely prepared information concerning the financial condition of the district, including the annual financial report and adopted budget, but nothing herein shall require the Employer to research and assemble information.

ARTICLE IX: EVALUATION

- A. Notification.** After the employee reports to his/her assignment, the director, building principal, or supervisor shall acquaint each employee with the formal evaluation procedures as may be used and advise each employee as to the person or persons who may evaluate the employee's performance.
- B. Formal Observation.** Each employee shall participate in a formal evaluation conference at least once every three years. New employees will be evaluated within 12 months of employment and then scheduled for formal evaluation at least once every three years to coincide with all other secretarial/clerical evaluations. Employees may receive additional evaluation any time during their employment with the district. At the time of the formal evaluation conference, a copy of a written evaluation will be presented to the employee. If the employee disagrees with the written evaluation, the employee may submit a signed and dated written position to the director, building principal, or his/her appropriate supervisor and the written position shall be attached to the file copy of the evaluation in question. The employee shall be asked to sign the written evaluation; however, such signature shall be understood to indicate the employee's awareness of the evaluation, but in no instance shall said signature be interpreted to mean agreement with the content of the material. The formal evaluation conference does not preclude continuing and/or additional evaluations by the Employer.
- C. Additional Evaluations.** Additional evaluation of employees may occur through informal observations by the Employer. It may not be deemed necessary to reduce such evaluations to writing, and a verbal discussion between the employee and Employer concerning the informal observations may suffice. If a written evaluation is deemed necessary, Procedure B as outlined above shall be followed.
- D. Personnel File.** Each employee shall have, upon request, the right to review the evaluation documents contained in his/her personnel file. An employee has the right to respond in writing to any evaluation document. Any complaints directed toward an employee, which are placed in his/her personnel file, shall be promptly called to the employee's attention in writing.

ARTICLE X: TRANSFER PROCEDURE

- A. Definition.** Transfer shall mean movement of an employee to another job assignment or location within the district. An opening occurs when a new position is created or a position becomes vacant as a result of action by an employee or the Employer. The district is not restricted from exercising its right to fill any vacancy with a temporary employee or to direct the work of its employees; however, when an opening is to be filled on a regular basis, it shall be posted.
- B. Posting of Vacancies.** When an opening occurs during the school year, a notice of the opening will be placed in the *Job Line* by the department of Human Resources Management. The notice of the opening will include job qualifications deemed necessary. A current listing of openings occurring during the summer shall be maintained in the Office of Human Resources and furnished to the Association upon request.
- C. Request for Transfers.** Within ten working days of the date of publication, an employee may apply for the opening by writing the Office of Human Resources. When external candidates are interviewed for a position, at least an equal number of internal candidates will be interviewed if letters of application have been received. The Office of Human Resources will acknowledge receipt of an employee's application and will notify each applicant when the opening has been filled. Openings often occur during the summer months. An employee who wishes to be considered for openings that occur during the summer can apply in June or each year by writing the Office of Human Resources and designating those specific job assignments.
- D. Procedure for Transfers.** The district has the right to hire and assign employees to any position and may hire and assign from outside the present employees, however, if more than one employee applies for the same opening under the above conditions, and in the sole, exclusive, and final judgment of the district, the employees' qualifications are equal, the employee with the greatest district seniority shall have priority.
- E. Employer-Initiated Transfer.** In the case of Employer-initiated transfer, the employee's principal or supervisor shall inform the employee in writing of the reasons for transfer. Employer-initiated transfers of an employee will not be effective until a personal conference has been held between the Employer and the employee.
- F. Return Rights.** Should an employee leave his/her assignment as a secretary/clerk for another position with the district, the seniority will be frozen. Should an employee return to a secretarial/clerical position, seniority shall continue from the seniority level previously attained.

ARTICLE XI: PROCEDURE FOR STAFF REDUCTION

Whenever possible, staff reduction will be accomplished through normal attrition. The district for any reason may, however, determine that it is necessary to reduce the number of employees. When employment cannot be provided, the reduction in staff shall be based upon (a) the needs of the school system as determined by the Employer, (b) the affected employee's educational preparation and experience, and (c) the relative skill, ability, and competence of the employee for which employment cannot be provided.

- A. Order of Layoff.** When the district has determined the location and number of positions to be reduced, a corresponding number of employees will be laid off. Beginning with the least senior employee and ascending on the seniority list, the district has the responsibility to assign and direct work and is the sole judge of each employee's qualifications. When two or more employees have relatively equal qualifications, the employee with the least total district seniority will be laid off.
- B. Notification of Layoffs.** The Employer shall provide written notice to the Association and to the employee 30 calendar days prior to the actual layoff. Such notice shall include written reasons for reduction and shall be kept in the individual employee's personnel file.
- C. Recall Rights.** When a specific opening occurs within one year of the layoff, and more than one employee's qualifications are considered equal, the employee with the greatest previous seniority shall have priority for recall.
- D. Notification of Vacancies.** A laid off employee shall be notified by certified mail of an appropriate vacancy, sent to the employee's address on file in the Office of Human Resources. An employee who fails to return to work within five working days after being notified of recall shall lose his/her status as an employee and will be considered as having resigned.

ARTICLE XII: PROFESSIONAL DEVELOPMENT TRAINING

- A. Definitions.** Professional development training is defined as training provided employees by the Employer during the service year.
- B. Responsibility.** The members of the Office Seminars Committee, appointed by the president of the Department of Secretaries, shall be responsible for making recommendations to the appropriate individuals for the provision of appropriate professional development training activities.

ARTICLE XIII: HOURS

This Article is not a guarantee of hours of work per day or days of work per week. Determination of the work schedule and assignment of work will be made by the Employer and may be changed from time to time to meet changing needs.

- A. Workweek.** The normal workweek for regular full-time secretarial/clerical employees will be 30 to 40 hours work, excluding lunch periods, from Monday through Friday. The normal workweek for regular part-time secretarial/clerical employees will be less than 30 hours, excluding lunch.
- B. Arrival and Dismissal Time.** The arrival and dismissal time for each employee shall be determined by the Employer. However, all employees will be dismissed 30 minutes earlier than normal of the day immediately preceding a vacation or holiday.
- C. Lunch Period.** Employees shall have a scheduled duty-free lunch period of at least 30 uninterrupted minutes.
- D. Rest Periods.** All secretarial/clerical employees are entitled to two 15-minute rest periods in any workday of more than 6 hours. One 15-minute rest period may be taken in any work period of at least 4 but no more than 6 hours. Such rest periods shall be with pay and shall not exceed 15 minutes.
- E. Overtime.** The need for overtime and its assignment will be the decision of an employee's immediate supervisor. Overtime for regular full-time employees will be compensated at a rate of time and one-half the employee's straight time hourly rate when the employee works in excess of eight hours a day or forty hours a week. The overtime provision of eight hours a day will not apply to those employees whose regular assignment exceeds eight hours a day. Vacation time, paid holidays, and paid sick leave do not count as time worked. Work performed on Saturday or Sunday, except when those days are part of the employee's workweek, will be compensated at time and one-half if it is in addition to the 40 hours worked during the week. Any work performed outside the designated work hours must be at the direction of supervisory personnel. There will be no pyramiding or duplicating of overtime pay. Hours compensated for at overtime rates under one provision will be excluded as hours worked in computing overtime pay under any other provision.
- F. Snow Days.** When notification has been made by public media or supervisory personnel that school and/or administration offices are closed and that the employee need not report to work, as many as two days each year shall be available as a district-designated holiday. A district-designated holiday is a day on which notification has been made by public media or supervisory personnel that school and/or administration offices are closed,

that the employee need not report to work, and is a day of service that will not be provided to the district at a later date. If a day of service is subsequently scheduled on another day, compensation received for the district-designated holiday will be charged to the subsequently scheduled day. An employee absent on the subsequently scheduled day shall utilize appropriate leave or vacation benefits or will be deducted salary for that absence. An employee who works on a district-designated holiday will receive pay for the holiday. When notification has been made that school and/or offices are to be closed and an employee has already been compensated for both district-designated holidays, then secretarial/clerical employees will not report for work and will not be paid for the day or days that schools are closed. However, a remaining vacation day or days may be used upon written request of an employee in lieu of salary deduction for days missed in excess of both district- designated holidays.

ARTICLE XIV: SERVICE YEAR

A. Basis of Employment. Basis of employment for secretarial/clerical employees shall be according to job descriptions (9.5 months, 10 months, 12 months) as determined by the Employer.

B. Holidays.

1. *Eligibility.* Paid holidays will be given those employees who are working regularly at the time of the holiday. The following are recognized as paid holidays for regular full-time and regular part-time employees:

Independence Day	Day Before or After Christmas
Labor Day	New Year's Day
Thanksgiving Day (2 days)	Day Before or After New Year's
Christmas Day	Memorial Day

An employee will be eligible for holiday pay if the employee would have been scheduled to work on one of the specified holidays and if the employee worked the last scheduled day prior to the holiday and the next scheduled day following unless excused by his/her immediate supervisor. Whenever any of the holidays fall on Saturday, the previous Friday shall be observed. Whenever any of the holidays fall on Sunday, the succeeding Monday shall be observed.

2. *Holiday Pay.* Eligible employees who perform no work on a holiday will be paid at their usual salary rate based on the number of hours they regularly work.

3. *Holiday Work.* If an employee works on a holiday, the employee will be paid at the rate of time and one-half the regular salary rate for all hours

worked, in addition to his/her holiday pay. For the purpose of computing additional overtime, only hours actually worked shall be counted toward the 40 hours.

C. Vacations.

1. *Eligibility.* Regular full-time employees and regular part-time employees will be granted an annual paid vacation period at the end of each fiscal year. The paid vacation period will be based upon the employment in that fiscal year and will be prorated for those employees who work less than the full fiscal year. The paid vacation period will be computed from the employee's total length of continuous service. Regular part-time employees earn vacation days at a ratio proportionate to the employee's part-time condition of employment. With continuous employment, prior service as a full-time teacher associate or full-time food service worker will be credited at the rate of two years for one for vacation credit purposes. Part-time employment will not be considered. Vacation may be taken in hour increments.

Length of Service	Vacation Period (Subsequent Year)
0 months through 11 months	5/6 day per month
More than 11 months through 6 fiscal years	10 working days
7 fiscal years through 12 fiscal years	15 working days
13 fiscal years or more	20 working days
19 fiscal years or more	2 additional days which must be used during winter or spring break

The service requirement during the first fiscal year of employment will be determined by the most recent day of hire. All yearly service requirements will be based on service during complete fiscal years. More than 11 months' employment in the first fiscal year of employment will count as one full fiscal year of employment. No vacation days may be taken in advance of their accrual. At least half of the month must be worked in order to receive credit for that month toward vacation.

2. *Vacation Pay.* The rate will be the employee's regular straight time rate of pay. Employees will receive pay for vacation at the time of their regularly scheduled paydays. An employee working less than the fiscal year will receive prorated pay for vacation following the conclusion of service.

3. *Vacation Periods.* Vacation schedules will be set by the employee's immediate supervisor(s) and sent to the Office of Human Resources for approval. Employees may request a particular period for vacation. Vacation days granted during the fiscal year ending June 30th should not ordinarily be taken prior to June 1st of that fiscal year. Vacation days may not be taken in advance of their accrual. After the first full year of service, any unused vacation days may be used during the subsequent

fiscal year, but in no case may accrual of vacation be extended beyond two fiscal years. Following the beginning of a fiscal year, all accumulated but unused days of vacation in excess of the sum of the preceding year's allotment and the most recent allotment will be forfeited.

4. *Working During Vacation.* Any employee who is requested to work and does work during his/her vacation will be compensated at the rate of time and one-half of the employee's regular rate of salary. For purposes of computing additional overtime, only hours worked shall be counted toward the 40 hours. The hours or days worked shall be added to the remainder of the employee's vacation bank of days.
5. *Termination of Service.* Any regular full-time or regular part-time employee who is laid off, discharged, retires, or resigns prior to taking his/her vacation will be compensated for earned vacation unused by the employee at the time of separation.

ARTICLE XV: LEAVES OF ABSENCE

A. Prior Notice.

1. Regular full time employees must complete a request for approval of absence from school duties on such form as provided by the Employer for all absences except illness, bereavement leave, funeral leave and personal leave. This form must be completed at least ten (10) days prior to the date of absence whenever possible.
2. If an employee expects to return to the assignment, the employee must notify the immediate Employer representative of such intention by no later than 45 minutes prior to normal student dismissal time on the previous day. If the employee does not give the required notification of intent to return and the substitute subsequently reports for duty the following morning, the substitute will be paid for an additional half day, and the pay for this will be deducted from the employee's salary.
3. Employees may use compensatory, personal and sick leave time (if available) in one half hour increments with the approval of their immediate supervisor/building administrator.

B. Sick Leave. An employee must report the intention to be absent from duty to the designated Employer representative by at least one hour before the employee's regular starting time, but in no case later than 7:00 a.m. on the day of absence. If possible, notification should be given on the previous day or earlier.

If an employee expects to return to an assignment, the employee must notify the immediate supervisor of such intention no later than 45 minutes prior to normal student dismissal time on the previous day. If the employee does not give the required notification of intent to return, and the substitute subsequently

reports for duty the following morning, the substitute will be paid for an additional half day, and the pay for this will be deducted from the employee's salary.

Regular full time employees shall be allowed sick leave of 15 working days during their first year of employment and 15 working days each year thereafter without loss of pay. If an employee does not need to use the allotted days during the contract year, the unused days will be added to the allowance for the succeeding year. There is no limit on the total number of days that may be accumulated. In case of absences for illness or injury in any one year exceeding the aggregate of days allotted for that year, the excess shall be deducted from the employee's accumulated days. At the end of the year, any of the accumulated days which are unused shall be added to the regular allowance for the succeeding year. If an employee is unable to begin service under the contract on the date on which the contract is designated to begin, the employee shall nevertheless be entitled to draw compensation for any unused medically related disability leave accumulated from prior years of service with the district, pursuant to its regulations thereto, payable at the time regular installments are due under this contract, notwithstanding the fact that actual service did not commence under this contract for the school year covered therein.

If an employee is unable to report for duty on the first day of the new contract, and had no accumulated sick leave on which to draw, compensation for sick leave will not be allowed under the new contract until the employee does report, whereupon it will become retroactive. All accumulated sick leave is forfeited upon the termination of employment.

Regular Part Time Employees. Regular part time employees are subject to all practices granted in Article XVII with the stipulation that regular part time employees shall engage in practices granted in Article XVII, Section C, at a ratio proportionate to the employee's part time condition of employment.

C. Family Illness Leave. In the event of illness in the immediate family, an employee shall be granted up to three (3) days of absence without loss of salary to be deducted from sick leave. The immediate family shall be construed to mean father, mother, son, daughter, wife, husband, brother, sister, mother-in-law, father-in-law, son-in-law, or daughter-in-law. A statement from a responsible person other than the employee may be required as proof of illness.

D. Adoption. Up to five (5) days of sick days may be utilized for adoption.

E. Bereavement Leave. In the case of the death of the wife, husband, child, or (step) child of a regular full time employee, or of the employee's (or spouse's) (step) father, (step) mother, (step) brother, (step) sister, (step) grandparent, (step) grandchild, or legal dependent, the employee shall be granted permission to be absent from duty for as many days, not to exceed five, during the individual employee's service year as may be necessary

for attendance at the funeral and for any other purposes directly arising out of said death, and no deduction of pay shall be made for the days of absence so granted.

Up to 2 of the 5 allowed bereavement days (per the comprehensive agreement) may be used for hospice visitation.

Funeral Leave. In the case of the death of any other relative or person of unusually close personal relationship, one day or two half-days of absence shall be allowed during the individual's service year without loss of pay for attendance at the funeral if the funeral is being held in the area of Greater Des Moines. If the funeral is being held outside the area of Greater Des Moines, one day of absence shall be allowed. The Human Resources Director of Classified Staff shall have the authority to extend the above provisions for any other purpose directly arising out of said death, and no deduction of pay shall be made for the days of absence required.

An employee who is paid while on bereavement leave during his/her extended service year shall have the obligation to complete his/her extended work assignment at no additional pay.

F. Personal Leave. At the beginning of each work year, each employee shall be credited with two (2) days (or four (4) half-days) to be used for the employee's personal business.

1. An employee planning to use a personal day shall notify his/her supervisor at least two (2) working days in advance, except in cases of unforeseen emergency. Requests for personal leave must be made through the method determined by the employer.
2. The employer will accept requests for personal leave no earlier than July 1 for the following year.
3. No personal leave will be granted during parent-teacher conferences.
4. Such absence may not be taken during the first or last student contact week of the semester or immediately before or after holidays or vacation periods.
5. Prior approval for the use of personal days will be waived by the Director of Human Resources for Certified Staff in an emergency. An emergency is defined as "an unexpected occurrence or set of circumstances which require the immediate attention and presence of the employee."

6. Up to 5 unused personal days will be carried over from year to year.

G. Jury Duty. In the absence of extraordinary circumstances, employees may be excused for jury duty. In order that no employee shall suffer financial loss because of such absence, no deduction from the employee's compensation will be made during the term of jury service, provided that all jury fees received by such employee be turned over to the school district.

H. Political Activity. A leave of absence may be granted for one semester or one year to an employee who desired to run for office or take part in political activity. This provision recognizes the rights and obligations of employees to be participating citizens in such activities as voting, discussing political issues, campaigning for candidates or running for and serving in public office. Such a leave would be granted without pay.

I. Educational Purposes. Attendance at educational meetings or visiting other schools is permitted at full pay if the Office of Human Resources approves such absence. If any regular full time employee wishes to be absent from duty for a brief period to attend a professional or para-professional meeting, or to visit schools, a written request for approval of such absence on a form provided by the Employer should be signed by the principal or supervisor and filed in the Office of Human Resources at least ten days prior to the first day of anticipated absence.

J. Military Reserve Training. A leave of absence will be granted for employees subject to Iowa Code 29A.28(1)(a) for required training purposes, but not for a period exceeding a total of thirty (30) days in any calendar year. Leaves for training purposes are granted without loss of pay, but employees are expected to take such training during the times when school is not in session whenever possible.

K. Military Service. Leaves of absence are granted for military purposes, not to exceed the enlistment or draft period. On completion of the military service, the salary of the employee is entitled to reinstatement at the same wages he/she would have received had he/she not taken such a leave, but subject to the following conditions: That the position was not abolished, that he/she is physically and mentally capable of performing the duties of the position, that he/she makes written application for reinstatement to the Office of Human Resources within ninety (90) days after termination of military service, that he/she submits an honorable or general discharge from the military service, and that he/she has the appropriate license(s) and certifications(s).

L. Extended Leave of Absence Without Pay. Employees may request extended leaves of absence without pay for a period of time to be terminated at the conclusion of the semester during which the leave commenced or for one additional semester following the conclusion of the semester in which the leave commenced. An employee shall file an application in the Office of Human Resources. The application shall be reviewed by that office and will be submitted to the Board of Directors for their consideration. Extended leaves of absence may be granted for health, professional study, or family responsibilities, which may include child nurturing. The employee's service will resume either at the beginning of the fall or spring semester in accordance with the leave of absence agreement.

While on extended leave, the employee's interest in the retirement funds, accumulated sick leave, and placement on the salary schedule shall be frozen. While no additional benefits will be provided by the Employer during the leave period, the employee may purchase such benefits. At the conclusion of the extended leave of absence, the salary of the employee shall be the salary stated on the salary schedule for the step and class for which that employee was appointed at the time of the commencement of the leave. A request for early termination of the leave agreement and reinstatement of position must be made in writing to the Office of Human Resources at least thirty (30) days prior to the beginning of the new semester. The Employer shall reserve the right to delay reinstatement until the beginning of the school semester following the request. Early reinstatement before the beginning of the new semester to those granted a leave of absence for a regular school year must indicate a desire to return within five (5) days of receipt of regular letter of intent sent to all employees.

M. Summer School. Associate personnel employed during summer school shall be granted two 'summer school days' of absence in a single term for either sick leave or emergency leave, or a combination of both, non- accumulative.
