Protect Central ("Contractor") is providing services to the Des Moines Independent Community School District ("District") as a contractor, vendor, supplier, provider or sub-provider and/or is operating or managing the operations of a contractor, vendor, supplier or provider. The services provided by the Contractor may involve the presence of the Contractor's employees upon the real property of the District.

The Contractor acknowledges that Iowa law prohibits a sex offender who has been convicted of a sex offense against a minor from being present upon the real property of the District. The Contractor further acknowledges that, pursuant to Iowa law, a sex offender who has been convicted of a sex offense against a minor shall not operate, manage, be employed by, or act as a contractor or volunteer at the District. The Contractor hereby certifies that no one who is an owner, operator or manager of the Contractor has been convicted of a sex offense against a minor. The Contractor further certifies and agrees that it shall not permit any person who is a sex offender convicted of a sex offense against a minor to provide any services to the District in accordance with the prohibitions set forth above. The Contractor further certifies that the Contractor has completed a satisfactory background check on the Contractor's employees. The Contractor hereby agrees to provide the District with the Contractor's background screening procedures including specific context and infractions that are reviewed by the Contractor. The District reserves the right to, but does not have the obligation to, conduct a District background check on Contractor employees as determined by the District in its sole discretion. The District reserves the right to restrict access of any Contractor employee upon the real property of the District if such employee does not clear the District's background check. The District reserves the right, but does not have the obligation to, to audit the Contractor's background screening program at any time, whether announced or unannounced. The Contractor hereby agrees that the Contractor shall, upon request, permit an authorized District representative to review background screening records, including those of individual Contractor employees, in order to conduct a compliance review, audit or investigation, to the fullest extent permitted by law. The Contractor shall ensure that the provisions of this Acknowledgement and Certification are extended to any and all subcontractors, consultants, or others the Contractor may engage if such engagement involves their presence upon the real property of the District.
