RE: B6541 Dishwashing and Kitchen Chemicals -- 4th Extension

Mr. Hoffman:

The Des Moines Public Schools is seeking to exercise its renewal option for the above mentioned bid. This will be the fourth and final extension of this option, with the contract period beginning July 1, 2016 and ending on June 30, 2017. Enclosed is a copy of the District's Form of Proposal, detailing the items which were on this bid, as well as the, general terms and conditions associated with this bid.

We ask all suppliers to review their pricing structures prior to submitting renewal proposals. The District will again consider any program that may reduce its costs through process improvement, ordering methodology, patterns, etc. Conversely, any planned increase may require the District to employ its option to place the product category out for bid solicitation.

The District appreciates your past service. We look forward to continuing our business relationship with you in the months and years to come. Please complete and sign the attached document, and return the signed Proposal for 2016-2017 no later than March 6, 2016 to:

Des Moines Public Schools -- Purchasing Department
1200 Prospect Road Suite 1200
Des Moines, IA. 50310

Sincerely

Purchasing Agent

Acknowledgment & Certification

NATIONAL Everything Wholesale ("Company") is providing services to the Des Moines Independent Community School District ("District") as a contractor, vendor, supplier, provider or sub-provider and/or is operating or managing the operations of a contractor, vendor, supplier or provider. The services provided by the Company may involve the presence of the Company's employees upon the real property of the District.

The Company acknowledges that Iowa law prohibits a sex offender who has been convicted of a sex offense against a minor from being present upon the real property of the District. The Company further acknowledges that, pursuant to Iowa law, a sex offender who has been convicted of a sex offense against a minor shall not operate, manage, be employed by, or act as a contractor or volunteer at the District.

The Company hereby certifies that no one who is an owner, operator or manager of the Company has been convicted of a sex offense against a minor. The Company further certifies and agrees that it shall not permit any person who is a sex offender convicted of a sex offense against a minor to provide any services to the District in accordance with the prohibitions set forth above.

The Company further certifies that the Company has completed a satisfactory background check on the Company's employees. The Company hereby agrees to provide the District with the Company's background screening procedures including specific context and infractions that are reviewed by the Company. The District reserves the right to, but does not have the obligation to, conduct a District background check on Company employees as determined by the District in its sole discretion. The District reserves the right to restrict access of any Company employee upon the real property of the District if such employee does not clear the District's background check.

The District reserves the right, but does not have the obligation to, to audit the Company's background screening program at any time, whether announced or unannounced. The Company hereby agrees that the Company shall, upon request, permit an authorized District representative to review background screening records, including those of individual Company employees, in order to conduct a compliance review, audit or investigation, to the fullest extent permitted by law.

The Company shall ensure that the provisions of this Acknowledgement and Certification are extended to any and all subcontractors, consultants, or others the Company may engage if such engagement involves their presence upon the real property of the District.

The Company understands and agrees that violation of any of the provisions of this Acknowledgement and Certification shall constitute sufficient grounds for termination of any contract or subcontract without damages or penalty to the District.

This Acknowledgment and Certification is to be construed under the laws of the State of Iowa. If any portion hereof is held invalid, the balance of the document shall, notwithstanding, continue in full legal force and effect.

In signing this Acknowledgment and Certification, the person signing on behalf of the Company hereby acknowledges that he/she has read this entire document that he/she understands its terms, and that he/she not only has the authority to sign the document on behalf of the Company, but has signed it knowingly and voluntarily.

SPECIAL CONDITIONS
FURNISHING DISHWASHING MATERIALS, DISPENSERS
AND DISHWASHING MACHINE SERVICES FOR
CENTRAL NUTRITION CENTER AND SCHOOL BUILDINGS

GENERAL

Bidders must provide all necessary dispensers including installation and maintenance, as well as materials. Because of compatibility (related to chemical reaction between products used), the bid will be awarded to only one company, taking into consideration use factor, price, and vendor responsibility.

CONTRACT PERIOD

The contract is for the period July 1, 2016, through June 30, 2017. The District reserves the option to renew the contract for up to four (4) additional years after the original contract period. The amount of the contract for the second through the fifth years is to be negotiated at the close of each preceding year.

PRODUCT SPECIFICATIONS AND APPROVAL

Suppliers are requested to supply complete written specifications for each product they are proposing to supply. They must identify the product bid by name, package type, and size recommended for best results in the Des Moines School District Food Service operation. Vendor is to note any deviation from our Detailed Specifications. Suppliers are to quote special quantity prices for essential multiples of package unit size or larger container advantages. Use factor to be standardized to indicate quantity recommended and practical for use per gallon.

All products must conform to environmentally preferable cleaning and maintenance supplies standards per state and federal law. "Environmentally preferable cleaning and maintenance products" includes, but is not limited to, cleaning and maintenance products identified by the Iowa Department of Administrative Services (DAS) and posted on the department's internet site <http://das.iowa.gov/>.

QUANTITIES

Quantities shown on Form of Proposal are based on anticipated usage during the 2015-2016 school year. School District reserves the right to increase or decrease quantities as required. The quantities listed on the bid response forms are estimates only. No guarantee is given or implied as to the total quantity or dollar value of this bid.

MAINTENANCE SERVICE

The successful bidder will be required to inspect operating conditions of all machines and dishwashing procedure in all schools once every 4 to 6 weeks throughout the school year. Special service calls at no charge will be requested for specific problems related to vendor product or equipment. At the time of each inspection, the company representative must leave a copy of the service report with the Food Service Manager or designee for that property. A service report must also be submitted to the Director, Food & Nutrition Management, following each routine or special service call. The report shall give the following information:

1. Name and address of school
2. Manufacturer and model of dish machine
3. Detergent used
4. Percent of concentration (if improper, give reason)
5. Wash water temperature
6. Rinse water temperature
7. General condition of machine (repairs needed, if any)
8. If repairs to dispensers are needed, state what they are. Vendor to keep dispenser openings and electrode clean
9. Periodic final rinse pressure checks
10. Number of mislabeled or unlabeled spray bottles
11. Material Safety Data Sheets on hand
12. Safety equipment available
13. General sanitation and appearance of related dish machine and/or ware washing areas

DISPENSERS

Successful bidder shall furnish electronic dispensers to control detergent solution and operate only when the dishwasher is operating. If a variable is recommended, vendor is to submit written request for Director, Food Services approval, listing schools and specific type dispenser required. The detergent reservoir shall be plastic or stainless steel except in the case of drum feeding. All dispenser installations are to comply with state and local health and safety regulations.

The rinse injectors shall operate only on the final rinse operation.

1. On flight type dishwashers: The injector shall inject rinse additive into the final rinse only, not the feed water.
2. On single tank dishwashers: The injector shall not operate when filling the dishwasher.

Successful bidder is to provide each school with written directions for dispenser and injector operation. Training of food service staff must be provided at no cost.

Fitting should be standard and fit existing drill or feeder holes. Any new or additional drilling or modification needed for mounting of dispensers of such type other than specified must be done only on the written approval of the Director, Food & Nutrition Management.

M.S.D.S. REQUIRED

Successful bidders will be required to furnish, in accordance with the Code of Iowa 530-110.4 (88,455D), the following for the potentially hazardous chemicals and materials awarded them:

1. Material Safety Data Sheets (MSDS) for all items, indicating our item to which they correspond. Please send to: Sandy Huisman, Des Moines Public Schools, 1225 – 2nd Avenue, Des Moines, Iowa 50314.
2. Each container is to be tagged, labeled or otherwise appropriately marked with hazard warnings and the identity of hazardous chemicals contained therein, as well as the name and address of the chemical manufacturer, importer or other responsible party.
3. All flammable liquids must be furnished in containers approved by the Des Moines Fire Prevention Bureau.

BID EVALUATION

Bidders must submit complete descriptive literature on the products they are proposing, including user factor, cost, etc. Bidders may be contacted for additional information during the evaluation period.

The recommendation for award of bid will probably be determined within two weeks of the bid opening.

Please indicate name and phone number of representative in the Des Moines area, city machines will be serviced out of, number of service persons available for the Des Moines area, and average response time to service calls.

INFORMATION

For general information regarding bids, contact Mark Mattiussi, Purchasing Agent, (515) 242-7649.

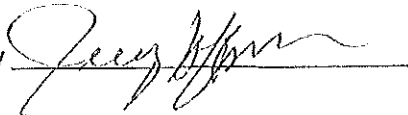

For information regarding specifications, contact Sandy Huisman, Director, Food & Nutrition Management, (515) 242-7636.
